Request description

March 15, 2023 Regional Freedom of Information Act (FOIA) Officer U.S. Environmental Protection Agency, Region 6 1201 Elm Street, Suite 500, Dallas, Texas 75270-2102 Re: Request for Class VI Injection Well Permit Applications and Related Records for CO2 Geologic Sequestration Sites in EPA Region 6 Dear Regional FOIA Officer: I represent a newly funded company (Lapis Energy, LLP) which is interested in pursuing CCS opportunities in the United States and specifically, within the area under the management of EPA, Region 6. Pursuant to the Freedom of Information Act ("FOIA"), would like to request all records (whether maintained in hard copy or electronic format) held by Region 6 of the United States Environmental Protection Agency ("EPA") regarding the following matters: Any Class VI injection well permit applications (including appendices, attachments, and related materials) that EPA has received in the past 12 months requesting authorization under EPA's Underground Injection Control ("UIC") program for geologic sequestration of carbon dioxide in any state within EPA Region 6. I also request any 'EPA Related Correspondence' between the entities applying for Class VI injection well permits and the EPA. Please provide these records to me at the following address only if digital copies cannot be provided via an electronic data transfer service. Terry Wiseman Lapis Energy, LP 2950 N Harwood St., Dallas, Texas 75201 EPA is required to respond to this request within twenty (20) working days. If access to the records I am requesting will take longer, please contact me with information about when I might expect copies or how I may inspect the requested records. I agree to pay costs in connection with this request. Please contact me by telephone at (469) 216-8949 or via email at twiseman@lapisenergy.com for authorization if these fees will exceed \$500.00 or if you have any other questions regarding this request. Thank you for your assistance in this matter. Sincerely, Terry Wiseman VP L48 New Ventures Lapis Energy, LP 2950 N Harwood St., Dallas, Texas 75201 +1 469-216-8949 (mob) twiseman@lapisenergy.com www.lapisenergy.com
